-Sam (Marin home builder)

“What a great experience! At first, I was challenged by the course, but my team encouraged me to keep going. Wow—am I glad I did! I encourage any professional to treat your staff and yourself to a day in the Redwoods.”

-Cynthia (Sonoma County dentist)

“I have done zip lines on vacation, so when our non-profit organization was looking for something to do for our board I recommend-ed Sonoma Canopy Tours. We had a great meeting in the morning, a lunch and then team-building in the afternoon—one stop shopping! The meeting room was just the right size and had all the equipment ready to go when I arrived.”

-Eric (San Jose non-profit board member)
